

Aerial Subcontractors

Project Name _____

Week Ending: _____

Prism # _____

Invoice # _____

Aerial Coaxial And Fiber Cable		Price	Units	total
AC01	Coax-Composite New Aerial (minimum job length 1000')	1.40		
AC01-A	Coax-Composite New Aerial (1'-999')	1.51		
AC02	Fiber-Composite New Aerial (minimum job length 1000')	1.37		
AC02-A	Fiber-Composite New Aerial (1'-999')	1.47		
AG04	Coax-Composite AE Splicing w/ Activation	0.49		
AC05	Coax-Composite Replacement AE De-Relash	1.40		
AS02	Install 1/4" or 5/16" support system messenger	0.41		
AS03	Lash Coax to New Strand (minimum job length 1000')	0.41		
AS03-A	Lash Coax to New Strand (1'-999')	0.43		
AS04	Lash Fiber to New Strand (minimum job length 1000')	0.48		
AS04-A	Lash Fiber to New Strand (1'-999')	0.51		
AS05	Lash/Overlash Additional Coax Cable	0.12		
AS06	Overlash Coax Cable (minimum job length 1000')	0.42		
AS06-A	Overlash Coax Cable (1'-999')	0.46		
AS07	Overlash Fiber Cable (minimum job length 1000')	0.53		
AS07-A	Overlash Fiber Cable (1'-999')	0.60		
AS08	Each additional fiber cable	0.17		
AS09	Install/Remove Anchor (6" Or 8")	35.00		
AS12	Pole Transfer (Single Frame, Including Bonds Up To 4 Drops Reworked At Pole)	66.50		
AS12	Pole Transfer (Double Frame, Including Bonds Up To 4 Drops Reworked At Pole)	66.50		
AS13	Move or Rework Riser Up To 10' Trench (Per Pole)	66.50		
AS14	Install New Riser and/or Guard	35.00		
	ONE "AS18" PER POLE			
AS18	Concrete Pole Banding or Tree Guard Per Attachment (per pole)	49.00		
AS18	Install/Remove Downguy Sidewalk Guy or Guy Guard (1/4" Or 5/16")	49.00		
AS18	Install/ Replace Fiber Loop Guard, Wagon Wheel, or Extension Arm	49.00		
AS18	Install Ground Rod And Vertical	49.00		
AS18	Install Vertical Bond (#6 Copper To Power Vertical)(Separate Trip)	49.00		
AS18	Install Continuity Bond or Re-Route Drops	49.00		
AS18	Change pole attachment height or Framing Hardware	49.00		
AS18	Resag Existing Coax or Fiber	49.00		
AS18	Rework Drops At Pole During Transfers (5Th Drop And Above, Per Pole)	49.00		
AS19	Partial Wreck Out	0.14		
AS20	Wreck Out- All Strand and Cable	0.20		
AS24	Lash or Delash/Relash fiber cable splice point	80.50		
AS26	Top Pole (Incl. Removal Of Topped Section Of Pole)	28.00		
AS27	Delash/relash fiber cable (up to 2 sheaths of fiber cable)	0.28		
ER01	Trip Charge - Emergency Call out - Per event	100.00		
ER02	Trip Charge - 2man crew per hour	140.00		
ER06	Emergency Ground Hand or General Laborer	38.50		
FS13	Optimize Node/OLT	140.00		
MC01	Install Node - Active - Connector Only	175.00		
MC02	Install Single, Dual, Triple, or Quad Amplifier - Active	98.00		
MC03	Install DC, Power Inserter, or line splitting device - Passive	31.50		
MC03	Aerial/Buried Slab (install new cable into existing device) Passive	31.50		
MC03-A	Change out face plate- Passive	14.00		
MC04	Tree Trimming	52.50		
MC09	Service Method or Procedure (SMOP) Work	100.00		
MC10	Set-Up Fee	56.00		
MC12	Install WIFI Access Points	98.00		
MC17	Rebalance Existing Coax Plant	42.00		
US23	Wreck Out Ground Mount Power Supply	101.50		
UC11	Composite UG Splicing with Activation	0.49		
US05	Place additional cable in empty duct	0.46		
US06	Place additional cable in occupied duct	0.70		
US11	Any Small Tap, Coupler, or Vertical Vault/Ped	26.00		
US12	Install Vault up to 18"x30" OR Horizontal Ped up to 18"x36	52.50		
US26	Re-power coax plant	35.00		
US28	Proof and Place Pull Rope- Occupied Conduit	0.49		
US28-A	Proof and Place Pull Rope- Empty Conduit	0.18
